

Assignments \mathcal{N}^o 6 - PART II

released: 01.02.2012 **due:** 08.01.2012, last lecture

Task 1: Last Lecture

0 points

As indicated, last lecture and last tutorial will take place together on Wednesday, February 08. (14:15h, A704)

There will be no additional material presented. Instead, you will have the opportunity to ask questions about all parts of the previous lectures. Thus, you decide which topics will be discussed. Prepare your questions!
